Principal says.....

Welcome to week 7.

**School Athletics:** On Tuesday it was great to see all of our children trying out the different events and giving it their best shot! It was also really pleasing to see the way the students encouraged one another. I am sure the students also enjoyed having such fantastic support from parents and family.

**Stuart Nash School Visit:** This morning Napier MP Stuart Nash came and shared about the life of an MP with our Year 7/8 students. It was a really good session and I know the students found it really informative. I was super impressed by the thoughtful questions our students asked Stuart.

### **MUSIC Scholarship:**

In 2017 we are again able to offer a music scholarship to a student. Please see the information below for more

details.

### **Drumming Exhibition at school this afternoon:**

On Thursday afternoon Cameron Budge put on a drumming exhibition for the school. Cameron will be offering drumming lessons at school in 2017. If your child showed an interest in drumming they should have brought home a note yesterday.

Have a great week and fingers crossed for a nice wind free day on Saturday.

Tristan

### BASKETBALL

Last week, Eskdale Hornets had a narrow win over Marewa Knicks by 24-26, scoring went basket for basket in an exciting encounter. Each quarter saw the team gain confidence, winning more rebounds and getting more accurate shooting. **Aston Musson** was player of the day, top effort in attack and defence.

This week the Hornets played Onekawa Jets and at 3/4 time both teams were locked on 14 points. In the final quarter the shots would not go in and the team ran out to a disappointing 30-18 loss. A good team rebounding game but too much easy turn over ball lost us possession. Daniel Moule player of the day for a good shooting performance.

**ESKDALE JETS** -Monday last week, the boys had a great game. They played Marewa Spurs and player of the day was **Mac Fan-Robertson**. Mac had an outstanding game on defence and made some great passes!

Monday 21 November the Jets played Te Awa Mavericks. This is the fifth game for the boys and you can really see them gelling together and our practises are paying off. Player of the day was **Liam**

**Hellyer**. Liam had an awesome game, showing great all round improvement.

The Jets will have a lunchtime practice on Monday 28 November.

### HOCKEY

Eskdale Hihi (Yr 5/6 hockey) played the Eskdale Toroa team. A very fast-paced and tough encounter throughout the entire game. While friendships were temporarily put aside, the match was played in true Eskdale spirit and both teams can be proud of their performance. Eskdale Toroa scored two goals in the final three minutes to win 3-2. POD was **Josiah Jobbins** who was played a variety of positions really well.

### CRICKET

#### TEE BALL

On Saturday 19<sup>th</sup> Eskdale under 9s faced Port Ahuriri and lost 24-27. It was a great game and our team tried really hard.

Player of the Day was **Henri Hasselman** who hit a couple of outstanding homeruns and was an expert in the outfield. He has a fantastic attitude and plays his best game every game.

This Saturday saw our first victory and what a fantastic game. In the first innings we got out 8 'out' of their 13 batters. We then went on to bat and got 10 of our 13 players home.

The team have really come together and are showing just what they can do. The entire team stepped up to the plate this week and improved their skills. Way to go Eskdale Pandas.

**Link Chambers** was awarded Player of the Day after hitting 3 massive hits getting loaded bases home every time. A great team player and a great team captain. Well done Link.

## EDUCATION for SUSTAINABILITY

Juicies for sale  
Thursdays @ \$1 each -proceeds to EFS Vision projects

Ten very proud pupils represented the school at the NCC garden Award ceremony last week. They collected a trophy, certificate and \$120 Mitre 10 voucher for Best School Environment, and a certificate and cleaning voucher for 2<sup>nd</sup> Place Vegetable Garden. We were also fortunate to win a Spot Prize of a \$20 Garden voucher. This will all be put to good use within the school next year.

The Enviro Squad decided to support the cans for good campaign. We needed to collect cans for one week. All the cans were donated to the Salvation Army and however many cans we got Watties would match can for can, so we would get double the cans! We had four year 6 students running the competition (Jac Dalton, Kajnan Brock-Smith, Olivia Knowles and Fraser Ross). To encourage the can total, they decided to run a class competition, so that the other students would get into it more. The prize for the class that collected the most cans was a fun day of their choice including free popcorn and a juicy each. They also entered in a design competition and there would be five winners each receiving \$500 to spend on art supplies or sports gear. You can view our entry on the Wattie Cans for Good facebook page or the PTA facebook page. Wish us luck!

For the class competition we had a close finish. Hihi (year 5 and 6) won the competition with 281 cans and 2<sup>nd</sup> was Kea with 263 cans. In the end we ended up with 1274 cans. We are excited about the design competition and hope that we are one of the winners!

## Report on Senior EFS activities

Mural: The mural is coming away well. We have made a design and we have sketched it up on the wall up at top court. The design is of a tree which is in layers of the changes that trees go through when the seasons change. So far we have sketched the tree onto the wall and will hopefully soon be painting the tree.

### Crafts - Millie

So far the Market day group have made our products for selling, and are looking forward for the market day. Our next step is to successfully sell all products! We hope you will visit or stall

Drinking fountain: We have finished our drinking fountain project and are pleased to see it being used so well

Teepee: Check it out sometime! The clematis are growing well

### Vision Map

The vision map group has surveyed the school pupils and are now collating the responses. Our next task is sharing these ideas with the other enviro squad members, Mr Cheer and the BOT. There is some money that we might be able to use towards these ideas if they get the go ahead.
