Principal's Report

Welcome to the June newsletter. It has been great seeing the children get back into the activities they love including their sports. It's hard to believe we are heading towards the halfway mark of the school year with learning conferences coming up soon and Matariki just around the corner. Our Matariki House activities are an opportunity for you to come and join in with your child/ren for the morning and their activities and I am sure many of you have already booked a time slot to see your child's teacher at the learning conferences – details of both of these events are below.

Learning Conferences: These are due to be held on *Tuesday 21 and Wednesday 22 June, 2022*. The learning conferences are an opportunity to discuss your child's progress over the first half of the year with the classroom teacher and to talk through areas requiring some additional focus.

At these conferences you will also receive a written update of their progress in English, Mathematics and the Learner Attributes. The learning conferences are also the perfect opportunity to ask anything you are wondering about in terms of your child's learning however if you have any concerns before then, please don't wait until the conferences contact the classroom teacher as soon as you get the chance.

Learning Conference times:

Tuesday 21 June – School finishes at 12.30pm and buses will run at this earlier time

Wednesday 22 June – School finishes at the normal time and buses run as usual

Upcoming Dates to put into your calendar:

Friday 10 June – GRIP Leadership conference for Year 8 students

Tuesday 14 June – PJ Day – information below

Tuesday 21 June – Learning Conferences – see above

Wednesday 22 June – Learning Conferences – see above

Thursday 23 June – Year 5/6 Planting morning at Esk River

Friday 24 June – Matariki – School closed

Tuesday 28 June – Matariki House Activities – Parents welcome.

Wednesday 29 June – Year 5/6 Coastal Cluster Netball

Wednesday 6 July – Matariki Performance group at school

Friday 8 July – End of Term 2

Monday 25 July – First day of Term 3

Creative Masks Challenge: Congratulations to the following children who have had their "Creative Masks Challenge" on display at the Hastings Community Art Gallery, in Hastings. They were also awarded with "Best School 2022" amongst all the other HB Schools!

Hihi	Kereru	Karearea
Olivia Berkett	Hunter Malone	Kerryn Hedley
Charlotte Baird	Zoe Matthews	Mia Kersley
Jacs Booth	Erin Bartleet	Luke Dodd
Joel Tester	El-lae Bush	Brianna Grant
Kaia Ranston	Addison Mc Dougal	Isabella Sivewright

Get ready to expect the unexpected! A place to go where you will find great art that's not only flat but 3D and actually alive and moving too! On Sunday 29th May, Hawkes Bay Primary schools were invited to the opening night for the HB Creative Mask Challenge exhibition. There were lots of entertainers and prizes but they saved the best for last... Eskdale School won the BEST SCHOOL! We felt surprised, astonished and proud of our efforts so please go and enjoy our artistry at the Hastings Community Art Gallery. The exhibition is on until June 11th. Whooppee!! Written by Jacs Booth and Joel Tester, Y6.

Matariki House Activities: On Tuesday 28 June we are having an in-school Matariki Celebration. Families are welcome to join us for the morning and a sausage sizzle lunch. Families can arrive from 9.00am and the students will be doing activities in their house groups. Come along for some or all of the activities.

Student Illness: We seem to be over the hump with covid infections, but we know that there are a large number of winter illness' arriving including some tummy bugs. I am already aware of one local primary school having to close today due to high numbers of student and staff illness. The key message is: Please keep your child home if they are unwell. We want to navigate these challenging times with our staff and students keeping well at school. Thank you in advance for your support with this challenge. I have included below an update shared by HBDHB:

Kia ora koutou There are increasing numbers of COVID- 19, influenza, and other viruses circulating in our community, which is putting significant pressure on our hospital and GP services. With the borders opening, we are expecting a big increase in influenza numbers. There is also a risk that measles, whooping cough or other vaccine preventable illness outbreaks will occur over the next few months. Babies are at greatest risk from these diseases but making sure the whole whānau is up to date will help protect them. Advice if unwell: Test for COVID-19 using a RAT. If you test positive, upload your result to your My Covid Record and follow the Ministry of Health advice. If you have had a COVID-19 infection within the previous 90 days and are unwell again it is very unlikely this is a reinfection of COVID. Repeat COVID testing (RAT and PCR) within these 90 days is necessary only on medical advice. Stay home if unwell as winter viruses are very infectious. Return to school/ kura/ early learning centre, te kohanga reo when symptoms have resolved. There may be some discretion used for children to return when they have improving and very mild symptoms such as a slight

cough or runny nose but are otherwise well. Wearing masks, cough etiquette and hand hygiene are strongly encouraged. This helps to reduce the spread to other people. Drink plenty of fluid Take some paracetamol or ibuprofen as directed. Paracetamol and ibuprofen can help reduce pain, headache and fever. Cold and flu medicines Warm lemon and honey drinks have been found to be as effective as cough syrups. On average, a cough after a viral infection lasts for 17 days. See a GP If you have worsening symptoms, difficulty breathing, have pain in your chest, are feeling dehydrated despite drinking plenty of fluid, are coughing up blood, or have had fevers for more than five days or call Healthline on 0800 611 116.

Kea Class Artwork: A selection of Kea student's visual Pepeha's have made it on to my wall. Awesome to see the quality artwork completed by these Year 3/4 students under the guidance of Catherine Jurgens.

Tough Guy and Gal Challenge(Mud run): Last Thursday was the annual Tough Guy and Gal Challenge held at Clifton Station. After having so many different events cancelled or postponed over recent times it was great to see over 1400 children participating in the event. There were 70 students from our school and I know that they all really enjoyed challenging themselves and getting little bit muddy and wet (It can always be more muddy) and completing the course.

School Fees/Donations: Firstly, I would like to thank everyone who has already paid these this year. The school fees/donations for 2022 are set at \$40 per term. These form an integral part of ensuring we can provide all of the resources we want for our students. The funds provided by the Ministry of Education do not cover all of the resources we believe are essential for every child to experience success. Over the past 12 months we have used the school donations for increased teachers in classes (reducing teacher to student ratio), increased reading recovery time and bought some additional devices, robotics, science, and technology resources.

2022 Recommended School Fee/Donation: \$40.00 per term: or

- Individual Child \$160.00 per year discounted if paid in Term 1 to \$140.00.
- Two Children \$320.00 per year discounted if paid in Term 1 to \$280.00.
- Three or more children \$480.00 per year discounted if paid in term 1 to \$420.00.

Online Safety- June Focus- Privacy and Security Settings

It's important to teach kids the basics of how to protect themselves and their information online. Netsafe has put together some tips about privacy and security settings:

1. Strong passwords

A strong password helps protect the information in your on online profiles or accounts. Ideally passwords should be 15-20 characters long and should avoid things that someone could easily guess such as a pet name.

2. Information to protect online

Talk to your child about what kind of information they should protect online. Information that they should never share includes:

- Login details and passwords
- Bank account details
- Home address

- Phone numbers
- Birthdate
- Personal information that could be used to guess security questions for online accounts

3. Personal details

You should also talk about personal details they could share online, such as where they are and the school they attend. This includes sharing their location – some apps allow you to share your current location with friends, or publicly.

For more information about keeping your children safe online visit [Netsafe.org.nz/online-safety-parenting-toolkit-teach/](https://www.netsafe.org.nz/online-safety-parenting-toolkit-teach/)

I hope you all have a great week and I look forward to seeing many of you at the upcoming learner conferences or Matariki Activities.

Tristan

Principal's Certificates

Recipient	For ...
Clyde Parris	Welcome to Weka Clyde. You have made such a great start to school. We love seeing you give everything a go.
Luke	Having the strongest ignoring muscles and working hard to show 5 on the mat.
Keira Munford	being a terrific problem solver. You use many different resources to help you when things get tricky. Ka pai.
Axel Smith	using such kind person who uses respectful words and actions when interacting with others.
Mila Duncan	Great work at maths time. You are listening carefully and sharing your maths thinking clearly. You are a star.
Lucy Hall	Working thoughtfully with a buddy at maths time. You are listing carefully, sharing your maths thinking clearly and taking turns with your buddy! You are a star!
Rosie Mitchell	using your letter sounds cleverly to work out tricky words . Ka Pai
Charlie Grisdale	Having an excellent start to Term 2. Well done Charlie, keep it up!
Sophie Demanser	For some amazingly descriptive writing, you have wowed us with your impressive vocab Sophie.
Sylvie Turner	Working so hard and showing great progress in her reading and maths - go Sylvie!
Grace Sung	Always working to the best of her abilities - Grace, you are a star!
Zoe Matthews	Writing a fabulous story for the Warriors Writing competition.
Reef Cave	great group work and involvement in maths time. Ka pai Reef!
Jackson Barnes	Showing great focus and attentiveness to your reading sessions. You are doing a great job.
Max Murdock	Participating more in the classroom and being brave when sharing your ideas. Your efforts have been noticed. Keep it up!
Liam Fisher	Always doing the right things and being a responsible role model.
Skye Howard	We are loving how you are growing in confidence.
Ava Domine	starting to take risks with your learning and giving things your best. Ka pai

Sebastian Hill	showing respect to people around you by using kind words and making sure that everyone is included. Tino pai.
Fern Borrie	being an attentive class member, who always puts 100% into her learning
Jaime Gale	persevering to attain excellence in her hand writing and checking her story writing for tricky punctuation, Ka Pai!!
Anna McGrail	Including amazing adjectives and detail in your complex sentences.
Reid Kersley	Writing stunning complex sentences with precise and descriptive details.
Maddie Wilson	Great understanding of varying your sentences during writing Maddie. Your use of a red, white, and blue sentence was great to read.
Heidi Roberts	Doing a great job of coaching her peers for netball - keep up the great work Heidi!
Millie Jardine	Always a responsible, respectful, and kind member of our class.
Evie Kersley	being a basic facts superstar! Way to go Evie!
Ruby Verry	showing awesome skills of persuasion and creativity in her writing - awesome work Ruby!
Cyrus Roberts-Gray	Being a great role model and showing manaakitanga to those around him. Tau ke, Cyrus!
Beau Ponds	Showing more attention to completing your tasks and finding next steps for your learning. Keep up the great work, Beau.
Skye Howard	being such a helpful friend, always showing empathy for others.
Freya Greer	We just love your dramatic play - Making connections to your real world context. You make such a beautiful bride.
Faye Parker	Outstanding Reading Comprehension! Keep up the great learning Faye.
Alice Williams	Awesome Reading Comprehension! Keep up the great learning Alice.
Persia Farahani	Amazing effort with your reading Persia. Your hard work and focus is paying off and you are making great progress. Keep it up!
Harper Paterson	You quiet determination and focus to always do the right thing, stay on task, and do your best does not go unnoticed Harper. Keep being your magnificent self!
Akio Crowsley	Working really hard on his English tasks and completing them to a high standard! Keep it up Akio!
Zarah Waterson	Working well independently, asking for help along the way and always completing work to the best of her abilities!
Hunter Malone	fantastic research and writing work about Fish. Awesome work Hunter!
Braxton Scott	making thoughtful and useful contributions to his maths group - well done!

Culture Corner

Part of our school culture is to find ways to develop our learner attributes. This term we have been focusing on being FIT & HEALTHY, which means that we:

- attempt challenges and give things our best effort
- are active participants in physical activities
- understand what makes a healthy lifestyle

and being KIND, which means that we:

- show manaakitanga
- use understanding and thoughtful words and actions
- helps others without being asked
- include and support others

Another way we create a positive school culture is by celebrating the success of our tamariki by presenting them with Principal Certificates at our House Assemblies. Congratulations to our Week 5 recipients!

Dates to Remember*

10 June	GRIP Leadership conference for Year 8 students
14 June	PJ Day – information below
21 June	Learning Conferences – school closes at 12.30pm – see information above
22 June	Learning Conferences – see above
23 June	Year 5/6 Planting morning at Esk River
24 June	Matariki – School closed
28 June	Matariki House Activities – Parents welcome.
29 June	Year 5/6 Coastal Cluster Netball
6 July	Matariki Performance group at school
8 July	End of Term 2
25 July	First day of Term 3

*See also Eskdale School Website Calendar: www.eskdale.school.nz

Enviro News

Enviro Matters....

Last week the Enviro Squad hosted a group from Hereworth School, who are beginning their Enviroschools journey. It was a great opportunity for our kids to show them around and talk about the sustainable practices that are embedded into our Eskdale culture.

June 5th was World Environment Day, with the theme **“ONLY ONE EARTH”**

The Enviro Squad are planning activities to celebrate and raise awareness throughout the school.

The pupils were lucky enough to spot these two visitors to our Native garden on Friday....

Education for Sustainability

Our Year 5 & 6 EFS groups have been busy this term growing plants, tending the orchard, making Kawakawa tea, landscaping around the relocated fishpond, planting our winter Kai garden, tending the Native garden and much much more!

Wanted...

We would be very grateful for any old hessian backed carpet to line the pathways in our Native Garden. Please let the office know if you have any we could use. Many thanks.

Library News

Thankyou for finding and returning any school library books you found at home enabling us to start the first movement of the school's big shift. If you do discover any more lurking please send them to Tui class so we can add them to class collections.

Classes have been busy sharing out books from the library. These will be kept in the classrooms enabling them to be used and taken home to be shared and enjoyed.

Please continue to support the school by purchasing from the Book Club pamphlet.

The Librarians will continue to support the school, with book activities, helping out in classes with the library books and break time read-athons.

Oh! The many things you will know and the places you can go with a book!

PJ Day – 14 June 2022

We are holding our annual PJ day again this year to raise funds and help supply kids in Hawkes Bay with warm sleepwear. Please wear your PJs to school and bring either a money donation or a donation of Pjs, slippers, socks etc to school on 14 June. Gabby and her team from 'Out and about with kids in Hawkes Bay' will make sure they are distributed to kids in need.

PTA News

LANDCORP CATERING FUNDRAISER

The catering fundraiser went really well on 22 May 2022. Landcorp were extremely impressed with the quality of food and are keen to use us again. Due to the high volume of help, we didn't need to spend any of the PTA's existing funds, resulting in a full profit of \$2,000.00.

Huge thanks to the following helpers/bakers/cash-donators:

Alice Bartleet, Michelle Barnes, Rachel & Sophie Kay, Lisa Ranapiri, Ruth Beere, Dane Pollock, Bernadette Nolan, Jeremy Marr, Gemma Jardine, Arnie Kersley, Mel Gale, Bonnie Berkett, Jess Crabtree, Lynn Bulled, Ange Beamish-White, Mary Nicholls, Ashleigh Schollum, Jess Verry, Sarah Bremner, Daile Williams, Linda Eagle, Ashlee Gale, Nikayla Glenn, Carol McGee, Frances Mitchell, Amanda Brain, Mark Greer plus a huge shout-out to the extremely generous donations of all the breads and sauces from GREENMEADOWS NEW WORLD and WISEY'S BAKERY.

Empty containers will be available in the hall kitchen from Wednesday, 25 May 2022.

PTA SCHOOL LUNCHES

Spotted a couple of weeks ago enjoying another great PTA lunch...

Many thanks to all those people who work together to provide these lunches to our tamariki!

Thank You - A & M Panel Repairs

A massive shout out to A & M Panel Repairs for their generous donation of two bike stands for Eskdale School.

Also a shout out to the Beamish-White family who also donated a bike stand to the school.

Shout Out

We would like to give a shout out to Max Patmoy who recently dropped into the school office 35 reams of paper he found recently while downsizing his home. Thanks for thinking of Eskdale School Max.

Easter Fundraiser - Term 1

On Thursday, 14 April 2022 we raised money for the S.P.C.A. We raised the money by doing an Easter fundraiser. We raised \$170 for all the animals in need. We decided to fundraise for the S.P.C.A. because we wanted to help animals. The name S.P.C.A. stands for Society for the Prevention of Cruelty to Animals. By Charlotte, Zarah & Millie

Thank You

Thanks to the EskView Tennis Club for their generous donation to the school of two large bags of tennis balls.

Sports News

UNISON'S HALFTIME HEROES

Congratulations to our Year 7/8 Netball team Eskdale Blue Ferns who are Unison's first [#HalftimeHeroes](#) this season! ❤️

Powerman and the [More FM Hawke's Bay 88.7](#) team surprised them at their training on Monday last week to present them with their certificates and \$150.00 supermarket voucher 🥰

Their netball team is made up of girls from three different schools. The girls from the rural schools travel over 30 minutes to attend training every week! All the girls have been great at meeting their new team mates and are forming friendships already.

👏 It's awesome how well sport can bring people together! Well done girls and all the best for the rest of the season!

👉 For more details and to enter our Halftime Heroes competition, visit:

www.unison.co.nz/greatestsupporter

[#UnisonGreatestSupporter](#) [#HawkesBayNetball](#) [#Win](#) [#OurCommunity](#) [#PoweringThrivingRegions](#)

YUMMY STICKER PROMOTION

Please remember to collect your Yummy stickers off any apples you purchase and stick them to the sheet at the end of this newsletter. We have until September to collect as many Yummy stickers or the tokens off the Yummy Fruit Bags.

These stickers are converted into vouchers for free sports resources, so the more stickers and bag tokens we can collect the better.

If you need additional sheets please collect these from the office.

Thanks
Maree

ESKDALE SCHOOL 2022 BOARD ELECTIONS

9 June 2022

School Board Parent Election 2022

Nomination round

Our school will be undertaking a parent election **for 3 School Board vacancies**. This process will start with the issuing of nomination papers to our caregiver community by **Friday 15th July 2022**.

We have employed CES to undertake the election process on our behalf. This year with legislative change, our nomination form and full instruction on how to place your nomination into our own School's Election website will be emailed to you if we have your email address in our database or you will receive it by post if we don't have your email in our database.

Nomination papers will also be available at the school office. The school will send those on to CES for processing upon receipt from candidates.

Nominations close on Wednesday 3rd August at 12 noon. Election day is Wednesday 7th September.

We look forward to your participation in this process.

Wayne Jamieson
Returning Officer
CES

Downloading the Skool Loop app - a step by step guide

Once you have downloaded the Skool Loop App, via either your Google Play or App store, please follow the below instructions to select your school -

- Open the Skool Loop App - you will land on a welcome page.
- Click the 'Select your schools' this will bring you to a menu you can either search your school or follow the country/region prompts.
- Once you reach your school, select it with the tick on the righthand side.
- Tap the 'select schools' button in the top right corner.
- Tap the big orange choose button. This will load your school and bring you to the settings page.
- Subscribe to the groups that are relevant to you, then click the 'go back' button on your phone, which will bring you to the main screen of your schools app.

List and sell your home with me and I will personally donate **\$500** to Eskdale School*
