Principal says.....

Welcome to week 8.

Market Day: Last Saturday was the Bay View Market Day and what a successful event. It was great being on the road crossing and hearing all the positive feedback about the event. The big crowd enjoyed a Market Day without the wind and I am sure all of the stallholders had a rewarding day. The School stalls certainly performed well and I would like to thank all members of the organising team and everyone who helped make it such an awesome day.

Coastal Cluster Softball: On Wednesday our year 5 & 6 students all took part in the Coastal Cluster Softball Tournament and I know they all had a great day- played their hardest and played fair!

Class Lists for 2017: The teaching team has been planning and organising the classes for 2017. The process for placing a child in a class is rigorous, we know the children well and we always aim to get it right for the individual child and the dynamic of each class as a whole. The class lists will be shared on Wednesday 14 via the website and the school noticeboards. A child will be in the class they are placed in for at least the first 6 weeks of the school year. If there are any concerns or worries after this time I am more than happy to discuss these with parents.

End of Year Countdown: The end of year is fast approaching and there are some key dates to keep in mind.

Thursday 8 December – 1.35pm - Certificate Assembly – Recognising those students who have given service to the school through being Bus Monitors, Librarians, Enviro Squad etc.

Thursdays @ \$1 each -proceeds to EFS Vision projects

Many thanks to the parents who helped the children manage our stall at Market Day and to Saskia for transporting the plants to and from the venue. We really appreciate your help and couldn't have done it without you. Together, our two EFS craft stalls and the EFS plant sales made \$450. It was great to have a stall again this year, many thanks to the PTA for welcoming us. We still have a number of plants and some crafts to sell and hope to have a stall at school sometime next week. Please support the children in this venture. ☺

On Saturday 26th of November 2016 the Eskdale School Bayview Market Day was held at the Petane Domain from 8:30-2:30. Together Olivia Aiken and Isabel Dunnett-Welch ran a craft stall, as part of the EFS stall. We made things such as Animal jars, Sand Jars, Succulent bottles, String hearts, Flower pencils and Liquorice allsorts. Together we managed to raise 138.40c with all of our amazing crafts and we just about sold out. We had heaps of fun listening to the bands play and walking around with all our friends looking at all of the other amazing stalls. After our very hot exhausting day our parents tidied and pack up our stall and we went home and relaxed.

By Olivia and Issy

Yay! We have some paint on the wall! A great start to the mural by our Senior EFS team, we're looking forward to watching it develop!

The pupils are pleased to now be using the drinking fountain we had installed near the playground. The team identified that the younger children needed a step to access this, so they spoke to Mr Woods who made one and today Xavier and William completed painting the project. Empowered Students in action!

Last Friday our Year 3 & 4 EFS groups had a fun learning experience with an interactive game about the structure of a tree, followed by a tree-focussed scavenger hunt. This Friday is the last session for the year. We look forward to working with some of our wonderful parent helpers, see you on the top court at 1.30pm.

VOLLEYBALL

The Eskdale yr 5/6 volleyball team has been playing for a few weeks now, and whilst still learning, have had some very evenly matched games and won several of them. However, they played a fantastic game on Wednesday (30th Nov), narrowly losing to St. Pats 165 to 146. Eskdale could have won the game with their relaying, however St Pats had a far superior bonus point count. Eskdale are now starting to string multiple passes together earning them valuable bonus points - 15 in this game - and will only get better. Well done girls!!

BASKETBALL

Eskdale Hornets played Eskdale Cavaliers in a friendly on Monday and learnt a lesson in basketball from their higher level opposition. Our ball retention was not good at times which gave the opposition some easy baskets.

So a tough game but one which gave the team something to aim for next year. **Connor Beamish-White** was player of the day for good rebounding and never giving up.

Eskdale Cavs -21/11 - A close game this week against NPS saw us go down 23-18. P.O.D was **William Knowles** for maximum effort!!

-28/11 -This week we played the Eskdale Hornets winning 44-10. **P.O.D this week was the whole team.** Throughout this game skill that we have been working on during the term at training transferred to the game which was awesome to see... passing to the player in the best position, drawing a defender then passing to a free teammate, looking up the court for a fast break, hard defence causing turnover ball or rushed shooting, using the backboard for improved shooting, lay ups. Still room to improve though team... 1 game to go!!

ESKDALE JETS What a great game on Monday! The boys are really coming together and showing off their great moves they are learning at training. They played Te Awa All Stars and player of the day was Noah Kyle. Noah had an awesome game – scoring over half the points! The Jets will have a lunchtime practice this coming Monday 5 December.

HOCKEY

Wk 7 Eskdale Hihi (Yr 5/6 hockey) played Nelson Park. This was a competitive match with the score locked at 1-1 at half time. Hihi made several breaks in the second but struggled to convert the opportunities, and Nelson Park ran away with the game 5-2. It was great to see the ongoing improvement in skills and fitness by the team. POD was **Frederieke Beekmans** who proved a super striker in front of goal.

Wk 8 Eskdale Hihi (Yr 5/6 hockey) played the Puketapu Bulls. Another fast-paced game in which we enjoyed the majority of possession. The passing between the team and players getting into position to receive the ball was a treat to watch and demonstrated the players are starting to develop well their skills and awareness. We converted a 2-1 half-time lead into a 5-2 win at the end, a good reward for a dominant performance. The POD was shared between Kahu Yardley for some terrific defence in the second half and William Knowles for setting up breaks for the forwards and scoring four goals.

CRICKET

Saturday 19th November - Eskdale vs Hereworth. Hereworth won with 138 runs and bowled us out for 80. Sam captained us for the day and did a good job, we had to bowl first. Conner M got a runout and 2 catches, one being a caught and bowled, Angus got 1 wicket and a runout, Connor B got 1 wicket, Alex got a runout.

The three highest scoring runs was Alex with 21, next was Angus with 12, then Sam with 6. The whole team played very well and the good sportsmanship was absolutely amazing. Keep it up boys!

Friday's Kiwi Cricket game for Yr 3/4 team- We won against Napier Central School and Player of the Day was **Louis Davis**. The week before we lost to another Napier Central team and POD was **Kowan Lamont**. Week before that we played Greenmeadows and were rained out, POD was **George Stilwell**. The team are going great guns and each week we're seeing a huge improvement!

TEE BALL

This week Eskdale Pandas faced the Pumas and won 25-17. It was a very exciting game with so many of the team stepping up and showing just how much they have improved already.

3 of our players kindly went and helped out the Pumas as they didn't have enough in their team, so a big thank you to: Rueben Jessep, Zara Hasselman and Jack Demanser for being such great sports.

Player of the day was **Louis Davis** who had the most outstanding game getting two spectacular homeruns and taking a massive catch. Well done Louis and well done Pandas for being such awesome an awesome team.

FUTSOL

Eskview Eagles, a composite futsal team of Eskdale and Westshore 9 and 10 year olds, this week won their league after winning all their games through the season. A great achievement in their first term together. Eskdale kids involved were: Daniel Moule, Daniel Olsen, Leah Hay, and Mattias Brock-Smith with Kajnan Brock-Smith backing up when required.
