Skills for Success *by Isla Bremner*

Deborah Burnside, Actor and Author might have been one of our most inspirational Skills for Success speakers yet. She gave us an amazing list of tips for success:

- Just do stuff! You won't get anywhere if you don't.
- Practice! That's how you get better at things.
- Love it! Make sure you're enjoying what you're doing or there is no point in doing it.
- Accept feedback! You have to be prepared to fail.
- Do your best! All the time every day.
- Have a positive attitude! If you can dream it, you can do it.
- Focus! Keep your mind on what you want to do.
- Give it your best shot! If you do that you can't fail.
- Ask for help! Never be afraid to ask for help, what's the worst that could happen?
- Just begin! A great piece of advice given to Deborah by famous Joy Cowley.

This year Deborah auditioned for the play Mary Poppins which will be shown next year in Napier. Deborah wasn't afraid to tell us about it even though she knew she might not get the part. She had asked a great piano player to come and play for her so she can practice her singing, and he happily agreed. Her husband brought in a piece of wood for her so she can practice her tap dancing, and he is supporting her as much as he can as well. Deborah is also a published author with several books, her first book the editors loved but returned to her and said that they would be happy to publish it if she rewrote it in first person, Deborah was annoyed, she had spent years writing this book and now she had to rewrite it! But Deborah didn't give up, she rewrote the book and it was published. Deborah was a great speaker and an inspiration to us all and I know her tips will definitely help us to be successful.

SPORT NEWS

HB U13 rep hockey - best of luck to Joel Dallas and Nicholas Olsen who will be playing their tournament in Palmerston North and Mollie Lord who will be playing in Stratford.

EnviroMatters

Well done to Mollie Lord, whose report on our Waste Free Days was published in the latest EnviroSchools Hawkes Bay newsletter. This report featured in our last school newsletter.

Many thanks to the wonderful team of parents who worked between showers last Friday to help our Year 3 & 4 students landscape the area around our House Trees. It really looks fantastic! Also, thank you to Eddie for helping get the roof on our Bug Motel! We are very excited about this project!

Two weeks ago the senior Enviro extension group planted 90 native trees in the area surrounding the bottom field and playground, our effluent dispersment field. We worked in pairs and planted replacement trees in areas where there was a gap. We started by taking the plants out of the growing bags and then we dug holes for the plants, after we planted them we watered them with worm tea and water. If you would like to have look at them, you are welcome to go ahead and take a look but please do not cross the fence.

On behalf of our school we would like to say a big thank you to Hawke's Bay Regional Council for granting our school a \$500 LEAF (Local Environmental Action Fund) grant to go towards the native plants. We would also like to thank Marie from Plant Hawkes Bay for growing and supplying our amazing new trees. We really appreciate your help! Thank you! We would also like to thank our worm warriors for preparing the worm tea for us to use to give our trees a good start.

Market Day

Market Day is fast approaching and we currently looking for 2 people to manage the running of the school café in the soccer rooms this year. We do have a list of people keen to help in the café but we still need someone to manage the coordination of this. If you are interested or wish to know more please txt Leanne on 021 355 341 or email eskdalepta@gmail.com.

We will be holding a second-hand stall again at market day this year. Last year this raised \$1100. If you are planning a clean out in the next couple of months please bring your items to the school office or liaise direct with Angela Beamish-White ange@pixelbook.co.nz or 836 7470.

Pimp my ride raffle

Tickets will be coming home early next term. Watch this space to score a pimped ride to school!

COMMUNITY

A Community Resilience Workshop is being held on Saturday 15th October at 1pm at the Eskview Rugby Clubrooms, Petane Domain. The purpose of this meeting is to bring together people who live, work or have a connection to Bay View, Eskdale, Whirinaki and Tangoio, to talk about the local hazards and how they might affect us.

We live in a region that has multiple hazards that could occur at any time. In an emergency we may initially have limited help from outside the area, so it is important that we understand what could happen and how we could look after ourselves and each other in an emergency. Please come along to find out more, and encourage others to join us as well.

Hi, I am a local with 20 years cleaning experience, excellent references and police checked. If you don't have time to clean your home, I can help you! Phone Trena 027 6749019
