Welcome to the September edition of the school newsletter. The past month has been an extremely busy and rewarding time for our students. With the School Production, School Cross Country, Coastal Cluster Footy and Lit Quiz, and TACs Hockey to mention just a few of the highlights.

**School Production:** The school production was the culmination of a lot of work that our students have put in over the last term. The final show highlighted the talent, creativity and drive that our students possess. They learnt a lot through the process including co-operating with others, managing themselves, problem solving, being creative, and of course acting, dance and presentations skills. Thank you to all who came along to this event and to all who helped out either on the night or in the lead up to this event. I know the students really enjoyed the learning and the experience!

All the photos from this inspiring show are ready to view via the Dropbox link below. These are all water-marked low res. images for viewing. If anyone would like to order high res. digital files to keep or print for \$2 each, please email [rachel.m.ross@icloud.com](mailto:rachel.m.ross@icloud.com) with the photo numbers and quantity for each. Please pay the appropriate amount to Rachel Ross, BNZ account no. 02 0700 0045525 001. Rachel will then email the files to you. ENJOY! (Please note: These photos are taken in low light so when printed they will be a bit grainy or smooth from correction – they are intended to be a record of the night rather than for enlarging.)

**Health Curriculum Delivery Statement:** Thank you to all who responded to the survey around the Health Curriculum. We have used your feedback alongside guidance from the New Zealand Health Curriculum to develop the following two-year plan. This has been approved by the Board of Trustees and is now in place.

### **Eskdale School Health Curriculum Delivery Statement**

The following statement has been developed after carrying out consultation with the school community to determine the health education priorities for Eskdale School Students. The delivery of the programme and its content was also discussed.

*'Eskdale School will follow a two year programme as set out below to cover the Health Curriculum.'*

#### **NE-Year 2**

*Odd Year- Beach Education, Bounce Back Programme (Wellbeing, Resilience, Confidence, Courage and Bullying), and Keeping Ourselves Safe.*

*Even Year- Firewise, and Bounce Back (As above)*

#### **Year 3-4**

*Odd Year- Road Safety, Bounce Back Programme (Building on skills developed in year 1 & 2) , and Keeping Ourselves Safe.*

*Even Year- Healthy Living (Dental Health & Nutrition), Bounce Back Programme (Building on skills developed in year 1 & 2)*

#### **Year 5-6**

*Odd Year- Beach Education, Kia Kaha (Anti Bullying programme).*

*Even Year- Healthy Living and lifestyles*

*In both odd and even years, year 6 students will also cover an introduction to Positive Puberty and Year 5 students will cover mental health and well-being*

#### **Year 7-8**

*Odd Year – DARE (Drug abuse resistance education), Keeping ourselves safe.*

*Even Year- Firewise, Sexuality Road Programme (Building on from the positive puberty programme)*

*In both odd and even year's students in Year 8 will undertake the Skills for Success programme and the Year 7 students will cover a mental health and wellbeing unit.*

---

*Prior to all health units commencing an outline of content will be shared with parents. DARE, Positive Puberty, Sexuality Road and Keeping Ourselves safe will also include a parent information meeting.*

*As a school we believe that the classroom teacher is the key person in delivering the health programme. We will utilise all resources available to us and work in conjunction with other professionals (e.g. Public Health Nurse, Police) when appropriate.*

**School Cross Country:** The school cross country was held on Tuesday and that Eskdale 'never give up' attitude was on display from all of our children. It was an awesome day with perfect running conditions for a cross country. The conditions were also perfect for our spectators and it was awesome to see so much support from our families. It was great to see our older students encouraging and supporting the younger children as they ploughed through the mud and water during their run. A big thank you to Mr Woods for creating a fun and challenging track for our children to enjoy. Congratulations to all runners on completing the course and a special congrats to the place getters below.

**Robotics and Coding:** Last week we introduced robotics and coding to the students at school. Each class will work through 6-7 sessions of the coding and robotics. This is being led by Mrs Gillespie and the classroom teachers are learning alongside the students. The first class to get started was Toroa and the students were very excited and engaged in their first session. The robotics and coding provide an excellent context for the children to develop their problem solving skills and their logical thinking skills.

There is no doubt these skills will be essential for our students in the future.

**TACs Hockey:** Three teams of year 7/8 students took part in the Town and Country schools Hockey tournament held at the Hastings Sports Park. The students enjoyed the challenge of taking on students from five other schools and can be proud of the way they represented our school at this tournament.

**Band Quest:** On Wednesday night the annual Hawkes Bay Band quest was held at Napier Boys High School. There were 10 Bands on show representing 5 Schools being Taradale Intermediate, Tamatea Intermediate, Napier Intermediate, Havelock North Intermediate and of course ourselves Eskdale. We had three bands in the competition and they all played exceptionally well! It was great to see how far they have come since the beginning of the year and this is due to their hard work, dedication, and playing for one another. For a school like ours to be able to put together three bands and achieve the standard that they did is no mean feat. It takes someone with the skills, passion and drive to make it happen and we are very fortunate to have that person in Kylie Moody. So thank you to Kylie for all your efforts with our children. The results speak for themselves!!

**First Place Hawkes Bay Band quest:** "Wednesday's Road Kill"- Eskdale School (Connor, Fletcher, Flynn, Fraser, Kahu and Logan.)

**Winner Best Bass Guitarist:** Logan Woolley – Eskdale School

**Winner Best Musicianship:** Connor Moody – Eskdale School

**Winner Best Original Lyrics:** “Fried” – Eskdale School (Fletcher, Connor, Amelia, Charlotte, and Sophie P) – To listen to this song and watch it performed you can go to our school website or follow this link: [http://www.eskdale.school.nz/497/embedded\\_items/8-future-composed-by-fletcher-d-performed-by-his-band-fried](http://www.eskdale.school.nz/497/embedded_items/8-future-composed-by-fletcher-d-performed-by-his-band-fried)

And “Sweet and Sour” – Eskdale School (Sophie B, Shenell, Freddie, Morgan, Issy, Marjolaine, Tyla, and Olivia K) who also performed two awesome songs!

**Coastal Cluster Lit Quiz:** The Coastal Cluster Lit quiz was held at Haumoana School last Wednesday. Congratulations to the team of Leah H, Eva R, Tess, and Quillan who took out 2<sup>nd</sup> place and won some books for our school library.

**Westpac Young Magpies:** A group of our children were selected to run on to McLean Park with their heroes in the Magpies. This was an excellent opportunity that I know the lucky students really enjoyed.

## And finally this month a word from our students about the production:

On the 25th of August we (Eskdale School) had our school production at the Municipal Theatre. Performing in the production was really fun and an awesome experience for the whole school to be part of. It was cool to be able to share the experience with our friends. Everyone was involved in some way or another. Whether it be acting, props, class acts or behind the scenes, all children and teachers too, were constantly on their feet for the day, and weeks before. The class acts put together were:

- Kotare and Ruru
- Kea and Tui
- Korimako and Kokako
- Hihi and Toroa
- Kereru and Karearea

There was also a bunch of year 7 and 8's who created great scenes, choreographed our senior dance and even wrote the amazing song, Future (Fletcher Dallas). We also had Nicole Bewick, Fraser Ross, Charlotte Swain and Kenzie Lord who were our amazing narrators for the night and day show. We hope you enjoyed the delicious food that our student caterers prepared with the help of Chef Scott Gillespie. The students had an amazing, fun time, putting on and creating this show.

Thanks to all the parents, teachers and families who helped to make this an experience to remember! Check out our school website for production photos that you can order.

By Olivia Knowles and Tyla Stothart.

The lights turn off to a sudden darkness then the music starts and the lights turn back on. It hurts my eyes but I keep on dancing and they change colour. Our suits and masks glow like glow worms in the dark and you can't see our faces. I look out at the crowd and see mum and dad. Then I shivered like bees wings. A little bit after it gets to the end of the song and I go off and say to my friends "That was awesome". Then it comes to the finale song. The seniors start singing. In the middle of the song we flutter on like little butterflies in the air and start singing in the bright light. Our parents start whistling with joy. "Nice job!" somebody yells. Then we wave and the gigantic curtains come down.

By Jayden Moody

I hope you have enjoyed looking through our school highlights from the past month. Spring is here so hopefully the warmer weather is here to stay.

Tristan

Last Tuesday, Eva, Quillan. Leah and I went to the Coastal Cluster Literacy Quiz. We were competing against 4 other schools.  
 In case you don't know what the lit quiz is- It's when you are asked a series of questions about books, and each question is worth one point.  
 There were 10 rounds, each one a different book subject. Each group got to choose a bonus round, which is when your group selects one round which you would get double points for each correct answer.  
 Overall, it was really fun and we ended up coming second, with the runner up on 73 points, and our group on 73 and a half!

We won some books:  
 The Time Machine, by H.G Wells; AniMalcolm by David Baddiel; Dinosaur Rescue by Kyle Mewburn and Donovan Bixley and My Classic Stories Collection.

## EDUCATION for SUSTAINABILITY (EFS)

We are proud to be Hawkes Bay's only active Green/Gold EnviroSchool at Eskdale School, leading the way in sustainability education for others. There's always things happening on the sustainability scene, from pest and rodent trapping to beeswax wrap making. A BIG thank you to our supportive community for helping us in our journey.

### Kowhai House Tree Planting...

Last week Kowhai House planted a grove of Kowhai trees and other Native plants on the school boundary. What a great team effort, in the rain. Way to go Kowhai!

The Enviro Squad wants your old t-shirts to continue making bags.... bring them to the box in the office any time!

The Squad worked with a wonderful group of parents to create bags for our school office to use to replace plastic bags....no sewing required, very simple to make! Try it for yourself at home sometime!...

A fantastic effort, you guys are really leading the way!

**Juicies for sale each Thursday @ \$1 each;**

**Proceeds to EFS activities**

## Friday EFS sessions

It was great to harvest a bucketful of oranges from our school orchard and share these amongst the pupils

This Friday, 8<sup>th</sup> September, the pupils from Ruru, Korimako and Kokako will be planting some of the Native trees grown at school in our own Native Garden area. We have a good crew of adults on the roster to help...Karen/Mox Chantrey, Shaun Demanser, Arnold Johnson, Lyn Bowcock and Alice Bartleet, we will meet you all on the top court at 1.30pm. Please bring a spade with you if you can.

Recycle....

Did you know we collect old, unwanted mobile phones to be recycled? Drop them in to the box in the office.

Next week is Keep NZ Beautiful Week.... Have you thought about an action your family can take to preserve our beautiful environment?

### Urgently needed for Medical Room

We require boys shorts in sizes 5-8 for those unforeseen changes during the day. Please drop any spares you have at home into the office. Much appreciated.

## PTA NEWS

### WANTED PRODUCE AND PRESERVES

The Eskdale School PTA would like to sell preserves or produce at the Room with a View Hub on 24 September. If you are able to donate any produce or preserves, we would love to hear from you!!

Please email [eskdalepta@gmail.com](mailto:eskdalepta@gmail.com).

MANY THANKS.

### ROOM WITH A VIEW

"Room With a View" is a PTA fundraiser to raise funds for new audio visual equipment for use by our kids in the newly completed school hall extension. Twelve lovely homes with breath-taking views have been kindly opened up by members of our community to support this event. Grab a friend (or 4!!) and spend the day taking in these stunning views! On the day you will be given your ticket along with a map and you can make your way around the homes at your leisure. There will be food available to purchase, or you can pack your own, and sit and enjoy your lunch on the lawn at one of the selected properties, taking in views you would otherwise not have access too. A day to remember and a fantastic way to show your support for our kids and get to know some of the hidden treasures on our back doorstep.

*Eskdale School PTA invites you to*

# *Room with a View*

### MARKET DAY

Market Day planning is well underway. We are in the stages of finalising school stalls and unfortunately the co-ordinator of the cafe is not available this year. The cafe made about \$1,600 last year and the second hand stalls made \$1,950. If anyone is keen to take on the cafe stall please contact [eskdalepta@gmail.com](mailto:eskdalepta@gmail.com).

*Huge thanks to Lisa Jobbins who has kindly offered to run the second hand stall at Bay View market day this year!!!*

*Start cleaning out those cupboards!! A box will be in the office ready for your items.*
