Welcome to the April edition of the school Newsletter. The past month has certainly been a busy and intrepid one for the school and the wider community.

Eskdale Expectations

With the removal of National Standards and no replacement directed by the Ministry of Education yet, we have established our own Eskdale Expectations for reading, writing and maths. The new set of Eskdale Expectations mirror those that were formerly National Standards with only some of the language used changing. As a school, we want to continue to be aspirational for our learners and believe that these expectations reflect that. We have also set ourselves some challenging goals as a school in relation to students meeting the expectations.

House Leaders

We have recently completed the process of selecting our House and Deputy House Leaders. The students selected impressed us during the first 7 weeks of school including camp. Each of them displayed skills of being effective communicators, respectful, resilient, passionate, and being community minded. Congratulations to the following students we know you will do your House and our School proud.

Kuaka School Camp

Our Year 7 and 8 students headed off for a weeklong camp at Guthrie Smith, Lake Tutira on Monday 5 March. They took on the challenges of caving, rock traverse, high ropes, flying kiwi, canoeing, night walk, mud walk, and they all managed to pat a Kiwi chick. I was lucky enough to spend two days with the student's one doing the tramp in to camp and the other leading the caving. Our students were fantastic. The way they supported each other through the different obstacles they faced was very impressive. George the instructor shared how impressed he was with our children, especially given the challenging weather conditions they faced while on camp. Overall I know that the students and the parent helpers enjoyed their week away.

I am Hope Tour

On Thursday 22nd of March former comedian and mental health advocate Mike King called into school on his scooter as part of the “I am Hope” tour. He spoke to our year 7 & 8 students as well as groups visiting from Tutira, Te Pohue, and Napier Intermediate. His message focussed on carefully choosing the people you surround yourself with and finding hope in them. Also that we can all be a person who gives hope to others. I know the students took a lot out of this important message.

Coastal Cluster Swimming

Congratulations to all of our Year 5/6 swimmers who took part in the Coastal Cluster swimming competition. This year Eskdale took out first place with Clive and Haumoana Schools finishing second and third.

Fun triathlon

The fun triathlon and BBQ was again well attended. This was a fun night for the whole school community and I know the children (both young and old) had a great time.

Hawkes Bay Literacy Quiz

Good luck to our literacy quiz teams taking part in the Hawkes Bay literacy quiz this Friday night. I know you have been training hard and will represent our school well. Thank you to coach Rebecca Maidment who has done an awesome job preparing the teams for the big night. The two teams are:

- Fraser, Joe, Nicole and Caspian
- Harris, Keta, Tess and Kitty

Easter Colouring Competition Winners

The winners of the Easter Colouring Competition with prizes supplied by Sam Hutchinson were: Addison, Brianna, Lola, Sonny, Jade, Mia, Ormlie and Daniel O. The Junior winners

received a giant chocolate bunny and the senior’s movie tickets including popcorn and drink.

Beach 5’s Rugby Competition

The Year 5/6 (pictured left) and year 7/8 Beach 5’s rugby teams competed at Ocean Beach in the HB primary Schools competition.

Coastal Cluster Cricket

Yesterday four teams from Eskdale competed at Farndon Park, in the annual Coastal Cluster cricket tournament. A beautiful day combined with eager students, made for an excellent morning. The behaviour and attitude of our players was exemplary, as they played with enjoyment and enthusiasm. A real feature of the teams was the support offered by those with cricketing experience to those who were playing for the first time. A big thank you to those parents who helped with transport, and stepped up to coach or manage a team, your support was most appreciated.

Hawkes Bay Orienteering Sprint Champs

We had a number of students compete at the Hawkes Bay orienteering sprint champs last week. Top 10 finishers were Tegan 4th and Lexi 7th in the Primary school girls competition and Tia 4th in the Intermediate girls competition.

Kiwaha: Mea pai = Good stuff

Whakatauki: Kia mahi-tahi te tautoko = mutual support and co-operation.

Have an awesome week!

'Yummy' School Sticker Promotion

What is it?

Eskdale School has been registered in the 2018 Yummy Sticker Promotion. The Yummy stickers collected will be converted into a winning share of the \$200,000 sports prize pool from DG Sport.

What to do?

Shop at your local New World, Pak'n Save and participating Four Square stores. Purchase Yummy apples, either bags with cut-out labels or individual apples with Yummy stickers. One cut-out label is worth 10 apple stickers.

Send the stickers into school to be placed on collection sheets in each class. If you would like own collection sheet for home, please collect one the school office.

your
from

What will happen?

At the end of Term 3 all collection sheets will be collated and sent off to the promoters and we will then be contacted to let us know how much we have to spend on sports equipment.

The more we collect, the more sports gear we get, so get going and start collecting your Yummy cut-out labels and stickers! It would be great if we could all get behind this and collect as many stickers as possible.

If you have any queries please contact me kellieh@eskdale.school.nz
