PRINCIPAL'S REPORT

Kia ora friends and whānau,

The term has flown by with some exciting things happening along the way. The Learning Conferences were again well received and we feel this is a positive step in promoting genuine conversations and understanding around the learning of our tamariki.

Tomorrow we culminate the term with our school Matariki Waiata Competition. In our six school houses, the students have learned and practiced a waiata for the last month, with the goal of being the winning house. It has been lovely to walk around the school hearing the students sing together, laugh together, and be challenged to go out of their comfort zones in many cases. If you do have a spare 40 minutes tomorrow we do encourage you to join us as part of the audience, it will be awesome!

Also with the term concluding, it means that Tristan is closer to being back on deck for the start of Term 3. We look forward to hearing about his exploits in his time off. Please have a fun relaxing time with your kids and we will see you next term.

Mike and Tineke

CULTURE CORNER

House Waiata and Kapa Haka Performance this Friday

This will be happening this Friday at 9:30am. All houses will perform their waiata and then while judges deliberate there will be a performance from Kapa Haka.

Following these performances, we are going to have another whānau hui. This is a great opportunity for you to share your ideas for next steps for our school and our kids. All ideas welcome and morning tea will be provided.

Save the date of the 21 September.

MARKET DAY

Market Day planning is underway. Huge thanks to Amanda Roborgh and Michelle Barnes who have stepped up again to help this year. This event needs a lot of support so if you would like to get involved please email eskdalepta@gmail.com.

NEWS FROM THE LIBRARY

Another term has flown by. Our librarians have been busy with their routines, helping students, keeping the books returned, shelving them and keeping the shelves tidy.

We have had a consistent supply of new books processed by our wonderful helpers.

We are ever thankful for your support by purchasing Scholastic Books. Because a percentage of your purchases go towards the school for further book buying.

Our new managers for the next 10 weeks are Ben and Tom. Thank you to Maddi and Madeleine for being our first managers this year.

Remember the library is open at play and lunch times, when you are able to return and issue new books. A great help for those who read library books as home reading.

A big thank you to those who have donated magazines they now will be enjoyed by our students, these are always much appreciated.

Please take these holidays to hunt out any library books that may have been misplaced or hibernating somewhere at home. We would love to have them returned.

A good book is a good friend

JAMMIES FOR JUNE

WOW - what an amazing response our wonderful community showed to our PJ day on Friday! It is really humbling to see how people got behind this wonderful local cause and overwhelming to think of how many Hawkes Bay kids will now get to wear warm PJs this Winter.

As a school we collected 73 pairs of Pyjamas and \$436.60!!! That is over \$1000 worth of goods going out to families in need! This will help clothe approximately 130 kids with warm PJs, a luxury for some, a need for others. Impressive!

So thank you for your massive support with this, we look forward to being able to do it again next year.

Well done to Tamar for organising this day. :)

THE 7 ROLES OF A GOOD ESKDALE SCHOOL SPORTS PARENT

It is really good to remember as an Eskdale School sports parent our main job is to provide an environment that will allow our children to be inspired and empowered in the sport they choose to play. Children are always at the heart of the matter and this is no different with our sports teams. It is really important that we model to them positive and respectful communication with each other and with the children in our teams. Below are seven tips to ensure we are modelling our Eskdale School CARE values on the sports field.

1. Provide Unconditional Love

Regardless of ability, outcome or performance, just be there for your child. Be there to support, be the shoulder to cry on, be the listener, be mum and dad when things go well and when they don't. Be the one to say "it's ok" or "I love watching you play".

2. Stay Calm

At training and games be the "calm one". This emotion will transfer across to your child. The more relaxed you are, the more relaxed your child will feel. A calm child is a happy child and a happy child can focus on the job in hand – enjoying the game.

3. Support Your Coach

Coaches have 101 things to do and in some cases they are parents, just like us. Coaches crave assistance but rarely ask for it. Ask your coach if you can support them in any way. Can you help with setting up or organising equipment, assisting on game day or even filling up the water bottles?

4. Let Kids Play

Emphasise enjoyment over performance. Kids love playing with their mates and learning new skills, they don't necessarily worry about who is winning the league. "Performance", that can come later, encourage the kids to enjoy what they are doing now. Are they happy? Are they healthy? Do they have a smile on their face?

5. Accept the Loss

We didn't win today! That's ok, accept that your child may not win every game they play. Be comfortable with this and understand that valuable life lessons can be learnt by everyone when we don't "win" on the scoreboard.

6. Help Set Growth Goals

Many kids drop out of sport because they cannot meet expectations that are placed on them by parents. Help set simple growth goals like; "I will give 100% in everything I do", "I will prepare and do a good warm up before each game" or "I will lead from the front and be a great teammate".

7. Be the Model Parent

Make your kids proud – be supportive of everyone on the team and praise the effort of everyone involved. Be the parent who doesn't instruct your child and undermine your coach, Be the parent who doesn't scream and shout at the officials, or the parent that knows everything. Don't be the embarrassing Mum/Dad. Be the supportive one.

WANTED

DO YOU HAVE ANY OLD COLOURED MAGAZINES LYING AROUND NEEDING TO FIND A NEW HOME? IF YOU DO PLEASE SEND THEM TO THE OFFICE TO BE USED FOR VARIOUS ART PROJECTS AROUND THE SCHOOL. THANKS

EFS Matters

Eskdale School has been a Green Gold Enviroschool since mid 2015. Earlier this month we hosted another reflection day. The green gold reflection day is a day where we reflect on our Green gold award and see if we are still worthy of having it. Being a green gold school means we have respect for the diversity of people and cultures, we are a sustainable community, we learn for and about sustainability, have empowered students and our journey is enriched by Māori perspectives.

People from the Enviroschools Foundation, the Regional Council and parents came to our school where the Enviro Squad gave them tours of our school. After that we talked and shared ideas and assessed if we are still a Green/Gold Enviro school. We are happy to say that ... **YES, WE ARE!!**

A big thank you to the PTA for putting together a delicious lunch for us all on reflection day. Also a big thanks to our staff for contributing a plate for our morning tea too.

By Leah Hay, Tia Anderson and Madeleine Russell.

Friday Practical EFS Sessions

Last Friday our Year 5 & 6 pupils led a session to introduce the Year 3 & 4 pupils to our various areas. Well done guys, you were fantastic and it was great to hear you all talking about what you have learnt and showing pride in your environment. Many thanks to the parents and grandparents who have supported us this term, we can offer so much more with your help!

Our School is supporting Plastic Free July, a global initiative to raise awareness of the side effects of plastic. Join with us and 120million people worldwide to make some changes!

Some suggestions from our Enviro Squad...

- Eliminate single use plastic eg : Clingfilm, plastic bags, plastic straws
- Use "keep cups" for your takeaway coffees
- Use Beeswax wraps or washable containers in the lunchboxes

If we all do something and make some small changes, together we can make a BIG difference!

SCHOOL HOLIDAY PROGRAMMES

Kia ora Friends of TimberNook Hawkes Bay!

Please find below information about our pending Holiday programmes at TimberNook Hawkes Bay for the term break. We would really appreciate you passing this on to your families. These programs will sell out quickly!

All the Fun of the Fair - Designed for children 6 -13 years old - Monday 8th – Friday 12th July - \$299 for five days of nature indulgence

This classic TimberNook program is bound to excite, stimulate and energise your child. The children will be building their own fair in the forest. This type of 'play with a purpose' will contribute to developing co ordination, strength, sensory integration, relationships, collaboration, creativity and problem solving.

The children will be encouraged to design and construct in teams, adding their own flare and originality, alongside plenty of free play in the forest and cooking over the fire.

The children will invite family and friends and whanau to join us on Friday (just prior to pick up) to attend and view the children's work. This program will stretch the minds of your young ones and leave them asking for more. Come and join us on this fun filled program. Places are limited so book now to avoid disappointment!

Going Wild in a Bugs World - Designed for children 3 - 9 years old - Monday 15th – Friday 19th July - \$299 for five days of nature indulgence

Come and join us for five days of Going Wild in a Bugs World.

Children will be immersed in insect activities, art and experiences that promote creative thinking. Everything from making a sustainable worm farm, investigating the magic of metamorphosis, creating a bug hotel and games that inspire physical movement and critical thinking.

This program will leave plenty of time for free play, treasure hunting and cooking over the open fire.

Come and join us in this ultimate nature rich program. At TimberNook we don't entertain, we empower!

Book now for both programs through our website www.timbernook.com or <https://enrolmy.com/timbernook-hawkes-bay>

NZ Police recently launched a new non emergency number, 105. We've done this to make it easier to get hold of us in the event of non-urgent situations or 'Things which have Already Happened', which don't require Police assistance immediately.

You can call us on 105 for all non emergencies, or you can go online at 105.police.govt.nz to report things like:

- Lost property
- Theft for a public place or car
- Intentional property damage
- Or to get an update or add info to a previous report

In the event of an emergency, always call 111 - Things that are Happening Now.

LOCAL COMMUNITY COORDINATORS NEEDED

Student Exchange Australia New Zealand is currently looking for people to become Community Coordinators in the Napier area. We are a not-for-profit company registered as a secondary exchange organisation with the New Zealand Ministry of Education and the Departments of Education around Australia.

Our Community Coordinators are men and women who believe that student exchange is a life changing experience for young people and for the people they come into contact with in the local community. Coordinators assist with interviewing potential host families. Provide ongoing support to these families and students to ensure that the exchange experience is a success for everyone as well as interviewing local students wishing to go on exchange overseas.

We would be most grateful if you would place a notice in your community newsletter, on your website or have the content raised at any meetings so that people within the community have an opportunity to consider the roles available. You can download the newsletter notice in either [Word format](#) or in a [PDF format](#).

For more information please download the Community Coordinator Flyer in [Word](#) or in [PDF](#) format.

If you would like to request a copy of the Coordinator Reimbursement Rates sheet or have any questions about becoming a local coordinator you can either respond to this email or contact me on 0800 440 079 (NZ).

Your support of our activities is most appreciated particularly by the hundreds of young people and families who benefit from the advantages of student exchange.

Thank you in advance for your assistance.

Kind Regards,
Emma Leach
Program Manager

'Yummy' School Sticker Promotion

**Please continue to collect the Yummy Apple Stickers
We have until Week 8 to collect these!!**

The more we collect, the more sports gear we get, so get going and start collecting your Yummy cut-out labels and stickers! It would be great if we could all get behind this and collect as many stickers as possible.

2018 saw Eskdale receive close to \$400.00 worth of PE equipment.
It would be great if we could do this again in 2019!!
