## PRINCIPAL'S REPORT

Welcome to the September edition of the School Newsletter. The past month has been filled with a variety of opportunities for the students to get involved with both at school and outside of the school environment. It has been great to see the 'give it a go' attitude of the children and as you will see throughout the newsletter many of them have achieved excellent results at a very high level.

**Edible Arts:** As part of our passion projects, 17 Kuaka students decided to enter the Hawkes Bay Edible Arts Awards. On the 9th of August, we attended the awards in Havelock North. We entered nine stunning outfits.

While making the nine edible arts outfits, we had to think smart, designing and creating our costumes and problem solving when something didn't go to plan.

We had to be brave on the awards day when walking down the catwalk. We used materials that had to somehow relate back to the food we use in everyday life eg tin foil, seeds, coffee filters, apple cartons, flax, fondant, just to name a few.

Ashley Blakesley made it through to the finals for the "Keep Hastings Beautiful" Award and Belle Anderson and Reuben Jessep got through to the finals for the Intermediate Category. Belle got second runner up with Tegan (her sister) modelling her design, "The Uluru Warrior" made from spices and seeds. Overall, it was a great experience and we had so much fun designing and modeling our outfits.

**Band Quest:** In week 4 the three school rock bands, Half A Dozen Eggs, Nitro, and The Rockers took part in The Rockshop Bandquest held at Napier Municipal Theatre. The bands formed and began rehearsing in Term 2, all doing extremely well with Half A Dozen Eggs winning the Rockstar Styles award and Reuben Jessep of The Rockers winning the Rocking Drummer award. Half A Dozen Eggs looked the part with their themed hats made by drummer Leah Hay while The Rockers and Nitro had members playing multiple instruments. The weeks leading up to band quest were tough with quite a few away with the cold that had been going around. That didn't stop the bands however, they stepped it up and did extra rehearsals in the weekends. Band mentor Ross Turner said "the bands sounded fantastic on the big stage at the Municipal Theatre. I'm very proud of their achievements and they should all be proud of themselves." The bands are now taking a well deserved break before they begin working

towards performing at Bay View Market Day in November. A big thank-you to Ross for the work he puts in with the Eskdale School bands it is great that we can offer this opportunity to our students.

**Year 7 Information evening:** On Monday 9 September we are having an information evening for any year six parents who would like to come along and find out about Year 7/8 at Eskdale School for 2020. This will be held in Kuaka room.

**School Cross Country:** This event was run last Tuesday in what will be remembered as some of the more challenging conditions we have had for our school cross-country events. The children however really impressed me with their running and their attitude towards a little bit of adversity. The grit they showed, particularly the seniors who had to endure heavy rain and a little bit of hail during their event, was very inspiring. Please take the time to read some of our children's accounts of this event later in the newsletter. The results from the day are below:

**Orienteering:** Last month we had three of our students take out second place in the North Island Orienteering Championships relay event- Congrats to Ashley Tegan and Belle. This was followed up with another excellent result at the New Zealand National Orienteering Champs

where Tia, Tegan and Belle took out third place in the relay event. It is great to see our Eskdale Students doing well at this elite level.

**2020 School Terms:** With 2019 quickly racing past I want to give you all an early indication of the school dates for 2020. The school office will be open for the year from Wednesday 29 January 2020 and the school year start for all students on Monday 3 February.

Term 1 - Monday 3 February 2020 to Thursday 9 April 2020

Term 2 - Tuesday 28 April 2020 to Friday 5 July 2020

Term 3 - Monday 20 July 2020 to Friday 25 September 2020

Term 4 - Monday 12 October 2020 to Wednesday 16 December 2020

**Strep Throat:** As many of you will be aware strep throat is highly contagious and is a serious condition that can cause other complications including scarlet fever. We have some children at school where these health conditions can be life threatening. Please make sure you let the office know if your child comes down with strep throat so that we can make sure that all of our children are safe.

**School Values:** We often use our school values as a context for writing. I received a copy of this piece of writing today. "In Kārearea we have been talking about people who care and respect us. The person at school who cares about me the most is Miss Hill. She thinks we are important. Not only does she care about me, but all of the other teachers at Eskdale School care about me too. They look after us. Caring for people is good. Everyone should care for people and everyone will be kind and being kind is the best thing in life. You have to look after yourself first and then you can look after other kids too. The last time someone showed respect was when I was at Cross Country and they were cheering. That is showing care and respect." By Jackson

**Green/Gold EFS Celebration day:** We are holding schoolwide day to celebrate achieving the Enviro School Green/Gold status again! (We are the only Hawkes Bay School at this level)

On **Thursday 12th September** we will have a whole school celebration day. We encourage everyone to dress up in the Green / Gold Enviro theme. After getting together in the hall at 9 am to see everyone's costumes and have our certificate officially presented by the Hawkes Bay Regional Council we will join our house members and spend the rest of the day enjoying a range of environmentally themed activities.

The activities are: making beeswax wraps, sowing sunflower seeds, beautifying the far fence line by clearing and planting trees, creating a visual school pepeha using collage, making lettuce wraps, and designing bird scarers for the vege gardens.

We will need parent helpers and donations of various food and materials.

Please let us know in the office or email [bryonyl@eskdale.school.nz](mailto:bryonyl@eskdale.school.nz) if you can help, for part of the day or provide items.

**WE NEED:**

**Food for wraps:** lettuce, tomatoes, cucumber, carrots and cheese.

**Items for the other activities:** 100% cotton fabric, old irons, magazines, baking paper, handy towels, loose parts for our bird scarers - old CDs, tinsel, corks, old cutlery, string etc

I want to finish this month's newsletter by wishing all of our children participating in the upcoming Hawkes Bay Art Festival and Hawkes Bay Cross Country all the best. We also have Tegan and Tia Anderson heading off to the AIMS games in Tauranga to compete in the Cross Country and Multi-Sport events.

Tristan

## CULTURE CORNER

This week we are looking again at our learner attributes. He Ngākau Hāpori is about being 'Community Minded'. This is when students:

- show our CARE values
- are actively involved in our school and community
- consider people, places and things
- know how to work as part of a group

He Ngākau auaha is about being 'Creative'. This is when students:

- follow their passions
- make inquiries into their learning
- create new and exciting things
- are valued
- make something out of great ideas
- are open and aware

## TE WIKI O TE REO MĀORI - 9 - 15 MAHURU (SEPTEMBER)

We are celebrating Māori Language Week at kura this week by having lots of games, competitions and activities going on around the school. We welcome everyone to school in the morning with waiata echoing in the quad. During morning tea time we have Te Reo Games in the Quad and at lunchtime our students and teachers are running activities like Raranga (Weaving), Tapu Ae and Matau/Maui (Traditional Games), Koru Chalk Drawings, Native Bird Scavenger Hunt, Competitions (Ngā Rerenga Kōrero o Te Ra - Phrase of the Day, Colouring in Competitions) and of course Te Reo Karaoke!

**The kauapapa this year is 'Kia Kaka Te Reo' - 'Let's make the Māori language strong'. So give it a go and have fun with TE REO at school and at home:)**

## SEPTEMBER NEWS FROM THE LIBRARY

With only three weeks until the end of term, a reminder to get library books changed and discover new reads before the holidays are upon us again.

Have you visited the Graphic Novel section of the library? These are the books with a blue sticker on the spine. When you open the cover they are set up like a comic. Great reads for those who do not enjoy a novel or need to practise their reading skills or just a fun quick read. Give them a go!!

Thank you to those who are able to support our library through purchasing from the Scholastic book catalogue. The library gets bonus points which we are able to spend on more books.

Coming up this term, more competitions and activities planned..... watch out for them!!!

## CROSS COUNTRY – BY TUI CLASS

Yesterday we did cross country at Eskdale Park. Honk honk!! The buses were waiting for us to board them. Once we got to Eskdale Park everyone raced out and got in their houses. I went to Pohutukawa. The big kids raced first. Then the five year olds until it was my turn.

Mr Cheer said " On your marks, get set, Go!!" WE raced to the back of the loos, around the park, over the hay bales to the finish line.

Colton cheered me on. I came 4<sup>th</sup> place in the seven year olds. I felt very proud.

**Max Murdock**

Yeah!! Finally we're at Eskdale Park. Honk honk!! We got off the bus and found our houses. Then Mr Cheer showed us the track. We walked the track. After that it was my running race so I started from the starting line. Mr Cheer said "ready, steady go!!"

Zara was coming first. When we were crossing the road I passed Zara and Channing passed Zara. I was in the lead. I kept on running to the finish line because Channing was right behind me. But it didn't matter because we are both in the same house. I kept on running because I would feel proud because I won.

I got wet because it was hailing and also raining. My favourite part was passing Zara on the road and feeling super, super happy.

**Colton Bennett**

Beep beep!! Went the bus. We were off to Eskdale Park.

First Mr Cheer called the 12 and 13 year olds for their race. He said "Take your marks....get set....go!!" They were off in a flash.

Next it was our turn and he said again "Take your marks....get set....go!!"

We were off. I ran really really fast over the hay bales, through the leaves, right to the finish line. I came fifth. After that I got a sausage and watched the other races.

**Reeve Fan –Robertson**

At cross country the bus took us to the park. It started to rain. We got our bags under the mats. I went to Sophie's mum. I went under her umbrella. It was time for the run.

Itiria was behind me. I ran and ran. I ran as fast as the wind. It was really close to the end. I got there. I came 7<sup>th</sup> place in the run. It was fun. Me and Charlotte got a chocolate milk shake. It was time to go on the bus. We were ready for next year.

**Jessica MacDonald**

I came 3<sup>rd</sup> in the cross country and I passed a lot of people. I got puffed. I mean really puffed. I was so happy. It was really fun. I couldn't believe I passed some one faster than me. It was hardtop pass him. But it was a good effort.

I felt scared before I ran but when I ran I felt happy. I ran through some leaves and jumped over some hay bales. I almost bet Channing. I was so so close.

**Connor Havill**

Today is Cross Country and I am running with the 7 year olds. First Mr Cheer spoke to us then he showed us around the track. Next it started to rain and hail then it stopped. The race started, the twelve year olds were first. Then the five year olds. Next the six year olds. Now it is the 7 year olds. I went over the hay bales.

Once my race finished I had a sausage. It was yummy, very yummy.

**Zarah Waterson**

On Tuesday it was cross country. Honk honk!! The bus was waiting for us to get on. On the bus we went past some sheep and some cows. When we got off at Eskdale Park we went to our houses. Mr Cheer walked the course. When we got back to our houses it started to rain and hail. When the rain stopped my mum got there just in time for my race, Mr Cheer said" Take your marks..get set..go!!" Off we went around the course.. The first thing we had to do was climb a Hay bale. After we ran through muddy puddles and the race was done. After the race was done I felt pleased.

**Oliviaw Gale**

## HB DANCE FESTIVAL

On Tuesday the 13th of August a group of us went to a Hawkes Bay dance festival at Havelock Intermediate. Our group was made up of Jade, Georgie, Natalie, Ruby, Eva and Breeze. We thought that this would be a great group of girls because we all worked really well together, we got together last term at lunch times. We had lots of fun putting dance moves together to our song (Wake me up before you go go By Wham). On the day we wore neon tutus and Jade's Dad made really cool t- shirts for us to wear with Kombi vans on them. Our group did really well we didn't get a placing but we had lots of fun dancing together. After the primary teams were done we were allowed to watch the Intermediate teams dance. Their dances were incredible.

**By Jade ,Natalie, Georgie, Ruby, Eva and Breeze.**

On Tuesday the 13th of August, our Dance group (Charli, Stella, Eliza, Abi, Magdalena and Eva) entered the Hawkes Bay Dance festival at Havelock North Intermediate.

For our costumes we wore baggy striped pants with a cropped white T shirt and black and white scrunchies with white shoes! Our music was a remix with a mixture of all sorts of songs! Before we drove to our destination we needed to do our makeup so Charli's mum Cara quickly did our makeup with purple and grey eyeshadow with white beads and glitter. Then Eliza and Charli did everyone's hair in Dutch braids. When we finished the makeup and hair we all hopped in the car and drove to the comp. We practised every

day for 5 weeks until the final comp.

Thanks to all the parents for letting us go shopping for our clothes! Also thanks to Cara for taking us shopping! And thanks so much to Miss Wallace for entering us  
WE REALLY ENJOYED IT!!! WE HOPE WE CAN DO IT AGAIN NEXT YEAR!

**By Charli, Stella, Eliza, Abi, Magdalena and Eva.**

## DENTAL TRUCK

The Dental Screening Van will be at School during term 3 and 4 checking children's teeth.

Those children with consent to have Fissure Sealants, Fluoride and Xrays, will have these done in the van at the time of examination.

Any parent unsure of what consent they have for their child/ren, OR, if any parent is wishing to review the existing consent, please contact Onekawa school Dental Clinic on 06 873 4863.

## EFS NEWS

The year 3 & 4 Friday sessions have been going very well with lots of hands on activities, supported by our parents.

We have had two groups planting native trees every week, with an area being cleared and prepped for Manuka planting and a general re nourishment of our Native Garden. Winter is also the time that we supplement our Native birds' diets by making bird feeders with lard and some of the school foodscraps. Seed sowing in the propagation house is also underway, with our first marigolds now germinated. These activities, combined with general maintenance in the Peace Garden, Orchard, Vege Garden and nursery have provided lots of learning opportunities for our tamariki.. Many thanks to you all for helping with supervision, we can offer so much more for the children.

It is fantastic to see this kaitiakitanga in action, with the pupils taking real ownership of the areas and enjoying their experiences.

## Supporting success in your school.

If you're a parent, staff member or member of the school community and you take out a new ASB home loan of \$250,000 or more, ASB will donate \$500 to your chosen participating school.

# \$500

ASB's lending criteria and terms apply. Fees may apply.  
Eligibility criteria - Documentation of the facility agreement must be done by 30 June 2020.  
For this promotion to apply, you must make mention of it during the home loan application.  
Only applies to loans which are secured by residential owner-occupied property with a minimum of 20% equity. The offer is limited to one donation per new home loan. The donation will be made to the chosen school on complete draw-down of the home loan. Excludes lending through brokers. Full eligibility criteria, exclusions, terms and conditions are available at [asb.co.nz/promotions/supporting-success-in-your-school.html](http://asb.co.nz/promotions/supporting-success-in-your-school.html)
